## Eastwood Village Council

### *Planning for our Future*

Louisville Metro Government declared Eastwood Village one of four "villages" and recognizes the Eastwood Village Council Executive Board as its advocate for Eastwood Village. This pamphlet explains how that affects you.

Did you know we have our own "active" train tunnel running underneath Shelbyville Road in Eastwood Village?

## Implementing the *Eastwood Neighborhood Plan*

### What are the unique characteristics of Eastwood?

Eastwood is 1 of 4 designated village form districts in Jefferson County as sanctioned by Cornerstone 2020.

The Eastwood Village Council (EVC) was developed as an advocacy organization to assure Eastwood continues to grow as a great place to live, using the *Eastwood Neighborhood Plan*, to balance growth with preservation.

The EVC represents all residents and businesses residing within the Eastwood Village boundary and is funded by membership fees and donations from its constituents.

While located in a rural setting, Eastwood is composed of properties that reflect 3 different land use characteristics: the village center, the less dense

neighborhood areas and the rural farm lands.

The members of the EVC elect an Executive Board annually that assures representation from the rural districts, subdivisions and village center as follows:

- Eastwood Village Core Zone (4 members)
- At-Large Zone (6 members)

  - ✚ Arbogate Village
